CCSD to host Veterans and Spouses Career Fair

Nationwide effort aims to attract veterans and their spouses to serve in educational capacity

WHAT: The Clark County School District (CCSD), in partnership with Troops to Education, will host a Veterans and Spouses Career Fair for positions such as teachers, classroom aides, custodians, bus drivers and more.

Urban school districts are collaborating to find new sources of teachers and education-related support staff, while providing opportunities for veterans and their spouses to continue serving in their communities.

Troops to Teachers is shifting its focus and changing its name to Troops to Education. The public-private partnership is steering towards a more inclusive and robust program that also recruits spouses for a variety of positions, and provides tracking, mentoring and developing.
