ABOUT CCSD
Established in 1956, the Clark County School District (CCSD) is the number one choice for families and students. We educate 320,000 students – offering a variety of nationally recognized programs, including Magnet Schools, Career and Technical Academies, and Advanced Placement programs. Through these programs – plus our online secondary school and our open enrollment offerings – we offer the best choices to meet individual student needs. As the nation’s fifth-largest school district, we have the ability to provide additional services such as a school police department, adult education courses, and innovative community partnerships with Vegas PBS and The Public Education Foundation. CCSD educates 75 percent of the students in Nevada and works closely with community partners and business leaders to educate the workers needed to strengthen our economy.

SEVEN TRUSTED LEADERS
A seven-member Board of School Trustees establishes CCSD policy and employs the superintendent to serve as chief executive officer. Trustees are elected to four-year terms. Regular meetings of the board are held on the second and fourth Thursdays of each month at 5 p.m. in the Edward A. Greer Education Center, 2832 E. Flamingo Road. Work sessions are held on the first Wednesday of each month beginning at 8 a.m. For more information about the Board of School Trustees, visit ccsd.net/trustees or call 702-799-1072.
