CCSD Human Resources Division to hold “The Future Is CCSD” hiring fairs

Positions available for teachers, bus drivers, food service and substitute professionals

LAS VEGAS – The Clark County School District (CCSD) is hiring for a number of vacant positions. To help prospective applicants, members of the Human Resources Division will go out into the community this month to meet with those who may be interested in working for the District.

“The Future Is CCSD” hiring fairs will be held on four different days at four different locations around the Las Vegas valley. At the fairs, applicants can visit with human resources representatives about the available positions and requirements for them. Computers will be available on site for people to begin their applications or modify an existing application.

The fairs will be held on the following dates and locations:

- Tuesday, March 26, Spring Valley High School, 3750 S. Buffalo Drive, Las Vegas, NV 89147, 9 a.m. - 12 p.m.
- Wednesday, March 27, Liberty High School, 3700 Liberty Heights Ave., Henderson, NV 89052, 2 - 5 p.m.
- Thursday, March 28, East Career and Technical Academy, 6705 Vegas Valley Drive, Las Vegas, NV 89142, 4 - 7 p.m.

“Our CCSD team is excited to speak with prospective candidates to answer questions about the amazing opportunities in the Clark County School District and to assist with the application process,” said CCSD Director of Recruitment, Diversity and High-Need Areas Tya Mathis-Coleman. “We are ready to hire for a number of licensed and support professional positions, including teaching assistants, bus drivers, food service employees and substitute teachers.”

The District is always seeking licensed teachers for the critical needs areas of math, science, special education and elementary education. In addition, the District is also seeking prospective employees who have a bachelor’s degree in another area, and
