SUPERINTENDENT'S MESSAGE

To the students and families of the Clark County School District,

Welcome to the 2021-2022 school year! After a year in which our students were educated mostly through distance learning because of the pandemic, I am excited that our students can start this school year in the classroom with face-to-face instruction from their teachers.

The past year was one of the toughest that students, families, and our educators have ever experienced. The pandemic resulted in unimaginable lives lost, economic distress, and emotional upheaval.

We are eternally grateful for our community partners and officials from local, state, and federal government who have stood by our side and helped us weather this storm. They have provided their expertise and lent a helping hand by securing donations and critical funding to help educate our students.

Thankfully, the pandemic and its effects on the economy and society are subsiding. We are starting to see our community thrive again. Nonetheless, now is when some of the most challenging work begins. CCSD is shifting from mere survival during the darkest days of the pandemic to rebuilding and excelling on behalf of our students.

Our goal is to make sure that students are whole so they grow and flourish – academically, socially, and emotionally. Many students took advantage of CCSD's Summer Acceleration program that expanded upon our traditional summer learning offerings. Not only did this provide exceptional academic support, but it also allowed students to engage face-to-face with peers and re-form the bonds of friendship.

When students return fully to the classroom for the 2021-2022 school year, I want to assure you that CCSD will do everything in its power so that students reach a new normalcy. I hope this issue of the Back to School Reporter provides important information for you to refer to now and during the upcoming school year. If you have questions, concerns, or suggestions during the school year, please reach out to your school's administration.

It is difficult to put into words just how much I am looking forward to this school year. At the start of every school year, there is optimism about what will unfold. This year seems even more special because of what we have endured together. I know that all of us – students, families, and educators – will emerge stronger and more resilient in the days, months, and years ahead.

Let's have a great school year!

All the best,

Dr. Jesus F. Jara, Superintendent of Schools

Children in Nevada between the ages of seven and 18 must be enrolled in and attend school for the entire time school is in session, pursuant to NRS 392.040.

Opting Into Full-Time Distance Education

To meet the diverse needs of our community, CCSD provided parents/guardians the opportunity to opt their child into full-time distance education for the 2021-2022 school year. Before opting into full-time distance education, parents/guardians were asked to carefully review the distance education considerations available at <https://www.ccsd.net/parents/online-registration.php>. The deadline to opt-in for full-time distance education was May 21, 2021, to allow schools time to plan staffing for the upcoming school year. Late requests for full-time distance education will be based on available space at each school. Parents/guardians should contact the zoned school for questions regarding distance education availability.

Registration Required Documents

1. Proof of Address

One form of proof of address is required. A recent utility bill (telephone and cable bills are not acceptable), current mortgage statement, rental receipt, residential lease agreement, or sales contract are acceptable forms of proof of address.

2. Parent/Guardian Personal Identification

A driver's license, picture identification, and/or passport are acceptable forms of personal identification. Permanent and temporary guardians should be prepared to provide proof of guardianship at the time of registration.

3. Proof of Child's Identity

An original birth certificate, passport, or a certified birth card issued by a health district are acceptable documents for proof of a child's identity.

4. Immunization Record

For detailed information concerning immunization requirements for children attending CCSD schools, visit ccsd.net/parents/enrollment#proofImm.

For assistance with obtaining immunizations, parents may contact the Southern Nevada Health District at 702-759-0850.

TRANSPORTATION / FOOD SERVICE / GOGUARDIAN

TRANSPORTATION

The Clark County School District provides school bus transportation for general education students who reside two or more miles from their zoned school. Exceptions may apply for students with special and/or medical needs.

Parents/guardians can obtain information on school bus transportation by visiting the Transportation website at transportation.ccsd.net, including checking on transportation eligibility for their child(ren) and viewing bus stop information by scrolling down the page and clicking on "Check your child's eligibility." Information can also be obtained by downloading the Onboard bus tracking app, accessing Campus Parent approximately four weeks prior to the start of each school year, or calling 702-799-8100. Information regarding Onboard can also be found on the Transportation website.

Bus stop locations for students attending a Magnet School are at designated, centralized locations throughout the District. Magnet bus stop locations are limited to support student ride times within 60 minutes in length. In accordance with District Regulation 3531: "The ultimate responsibility of safe student passage to and from school/pickup points rests with the parent or legal guardian."

For information pertaining to transportation for students with disabilities, see Page 14 in the Legal Notices section of this document.

FOOD SERVICE

For the 2021-2022 school year, breakfast and lunch are available at no cost to all students.

The District received updated waivers from the United States Department of Agriculture (USDA) and CCSD will now be able to provide free school meals to all children 2-18 years of age through the 2021-2022 school year. Meals will be distributed under the Seamless Summer Option (SSO) guidelines outlined by the USDA.

The Food Service website, ccsd.net/foodservice, provides CCSD's nutrition policy as well as the approved snack and beverage list. The site also links to the digital platform where the school menus and nutrition details can be found: ccsd.nutrislice.com. It also includes a link to myschoolbucks.com, where it is possible to add money to a student's meal account for à la carte purchases, and view what items your child has purchased.

Anyone who needs assistance or has questions regarding the application may call 1-800-819-7556 or email myschoolmeals@nv.ccsd.net.

Special Diet Renewals

At the beginning of the school year, please review your student's special diet with the school's Health Office. The forms to renew, update, or discontinue a special diet may be found at <https://ccsd.net/departments/food-service/special-diets>.

This institution is an equal opportunity provider.

(Device Filtering and Monitoring)

To support the Clark County School District's one-to-one device initiatives and deployments, distance and blended learning, mental health support initiatives, and to comply with the Federal Communications Commission's (FCC) E-rate program rules, the Children's Internet Protection Act (CIPA), and the Protecting Children in the 21st Century Act, CCSD requires a content filtering, management, theft recovery, alerting, and remote teaching/proctoring solution. CCSD will continue the usage of GoGuardian district-wide for the 2021-2022 school year.

GoGuardian is deployed to the students' nv.ccsd.net user accounts as an extension and the application functionality will be enabled when a student is logged into a Chromebook or Chrome browser on any operating system with their

nv.ccsd.net user account, regardless of whether the device was issued by CCSD or is a personal device.

The GoGuardian Suite is utilized for content filtering and blocking access to harmful or inappropriate websites. GoGuardian also provides class management tools for teachers to help in keeping students on-task and away from distracting content during instructional time. In addition, GoGuardian Beacon 24/7 provides alerts to CCSD staff 24 hours a day, monitoring online activity that is considered a life-safety issue or threat such as actively planning a suicide or self-harm. More information for parents/guardians can be found in the GoGuardian Parent Information document.

Though GoGuardian may provide protection against inappropriate content for students, monitor online activities, and alert for life-safety issues, no filtering

or monitoring system is perfect. CCSD cannot and does not represent that inappropriate or objectionable material can be completely filtered and does not guarantee that all life-safety issues will be detected. Parents/guardians are still responsible to actively monitor their child(ren).

Additional information on the GoGuardian Suite can be found on stutech.ccsd.net.

Parents should frequently review the content, including apps, media files, etc., of students' mobile devices to ensure that they are being used appropriately. If parents are concerned or have questions regarding the use of the devices, they may contact school staff for clarification.

GRADUATION REQUIREMENTS

To graduate, all students are required to meet the testing requirements outlined for their freshman year cohort, regardless of what year they actually graduate.

Nevada's high school graduation requirements are designed to ensure all students are ready for success in college and careers (Nevada Revised Statutes - NRS 389.018).

To earn a diploma, students are required to take the ACT with Writing in their junior year at no cost to the student. Students with disabilities may opt out of the College and Career Readiness Assessment (ACT) based on the decision of the Individualized Education Program (IEP) team. Appropriate assessments and accommodations for students with disabilities will be determined by the student's IEP team.

Students in Clark County School District may choose a diploma option that best fits their individual needs. Details for each type of diploma are accessible online at www.ccsd.net/departments/guidance-counseling.

The diploma options are:

- ✓ Advanced Diploma
- ✓ Advanced Honors Diploma
- ✓ College and Career Ready Diploma
- ✓ Standard Diploma or Alternative Diploma*

** Students with significant cognitive disabilities are eligible to earn an Alternative Diploma through their participation in the Nevada Alternate Assessment (NAA) and their completion of the course credits required for their graduating cohort. Students earning an Alternative Diploma are eligible for services under the Individuals with Disabilities Education Act (IDEA) until their 22nd birthday.*

NRS 385.3469 changed the reference to the General Educational Development test (GED) and required the State Board of Education to select a high school equivalency assessment. The following three high school equivalency exams have been approved by the State Board of Education: GED, HiSET, and TASC.

Graduation Requirements (for students graduating in 2022)

To meet minimum requirements for graduation from the Clark County School District and receive a Standard Diploma, students must take the College and Career Readiness Assessment with Writing required by the state and must complete 23 credits of approved course work in the following subjects:

- ✓ English – 4 credits
- ✓ Math – 3 credits
- ✓ Science – 2 credits
- ✓ U.S. History – 1 credit
- ✓ U.S. Government – 1 credit
- ✓ Physical Education (PE) – 2 credits*
- ✓ World History or Geography – 1 credit
- ✓ Health Education – ½ credit
- ✓ Computers – ½ credit
- ✓ Electives – 6 credits
- ✓ Flex Credit – 2 credits

Flex credits can be a Level II or III Career and Technical Education (CTE) course, or a fourth year of math (including Algebra II or higher), or a third year of science, or a third year of social studies.

** A maximum of one PE II waiver can be earned by participation in certain activities.*

Students who do not complete all requirements for a diploma will not be allowed to participate in graduation ceremonies.

TESTING / SCHOOL CHOICE / TITLE I HOPE

CCSD BALANCED ASSESSMENT SYSTEM

To guide instruction and improve performance for all students, schools must analyze and use multiple types of assessments on multiple occasions with a goal of increasing student achievement. The CCSD Balanced Assessment System is comprised of assessments *for* learning (formative) and assessments *of* learning (summative).

Formative assessment is a deliberate process used by teachers and students during instruction that provides actionable feedback that is used to adjust ongoing teaching and learning strategies to improve students' self-assessment, reflection, and attainment of curricular learning. The MAP Growth assessment is a formative tool that serves as the CCSD interim assessment. MAP Growth is administered in Grades K-10 three times a year in reading and mathematics to monitor student progress, customize learning, and set attainable goals to ensure students are increasing in achievement. Science is administered during the same times in Grades 3-8.

Summative assessments are often "standardized tests of learning" instruments and verify mastery of grade-level content standards. These assessments take place after learning has

occurred. The Smarter Balanced Assessments, also known as SBAC, are the Nevada system for assessing students in Grades 3-8 in mathematics and English language arts. This summative assessment covers the full range of college and career ready knowledge and skills represented in the Nevada Academic Content Standards and will be administered to students during the spring of 2022.

In addition, students in Grades 5, 8, and 9 will participate in the Criterion-Referenced Test (CRT) for Science aligned to the Nevada Academic Content Standards for Science based on the Next Generation Science Standards.

The Nevada Alternate Assessment (NAA) is administered to identified students in lieu of the Smarter Balanced Assessments, approximately 1 percent of students. The NAA assesses performance of alternate achievement standards through direct observation of specific tasks connected to the standards.

Pursuant to the Every Student Succeeds Act of 2015, parents may request, at their child's enrolled school, information regarding their parental right to opt the student out of the assessment, where applicable.

For more information on the Smarter Balanced Assessment System and the Criterion-Referenced Tests administered in Nevada, please visit smarterbalanced.org and aarsi.ccsd.net/assessment/.

SCHOOL CHOICE

CCSD Choice Schools

The Clark County School District knows students enjoy school and achieve more when they attend the school of their choice. itsyourchoice.ccsd.net highlights the many school choice options available within the Clark County School District, including award-winning Magnet programs, Career and Technical Academies (CTA), dual-enrollment opportunities, and digital learning options including the Nevada Learning Academy at CCSD.

Magnet Schools and Career and Technical Academies

Magnet/CTAs offer learning opportunities related to over 100 themes for interested students. Students from across the District may apply to a Magnet/CTA, regardless of the region in which they reside. A trusted choice for more than 25 years, Magnet/CTAs provide enhanced educational opportunities, nurture and develop student talents, and create an awareness of career pathways relative to the fields of study in which students may be interested. Visit magnet.ccsd.net.

Open Enrollment

Open Enrollment is available to provide parents with additional school choice options within CCSD. Schools with available seats are advertised for the purpose of allowing parents/guardians of students who do not reside in the attendance zones to express interest in enrolling their child(ren) there. However, transportation is not provided. The application process runs from April to August. For application information and a list of Open Enrollment schools, visit itsyourchoice.ccsd.net/open-enrollment/.

Nevada Learning Academy

The Nevada Learning Academy (NVLA) at CCSD is an online public school that offers courses for students in Grades K-12. NVLA provides personalized and rigorous learning opportunities to students who want an alternative educational environment. Students can enroll full-time or take one or two classes as a part-time student. Classes are available in Advanced Placement, Career Pathways, and Dual Enrollment. To learn more or to submit an application for full-time enrollment, visit NVLearningAcademy.net.

TITLE I HOPE

HOMELESS OUTREACH PROGRAM FOR EDUCATION

The Title I HOPE office provides assistance to families in transitional or temporary living situations such as living in a car, hotel/motel, shelter, or multi-family residence due to economic hardship.

Families eligible for Title I HOPE services have additional days to obtain the required immunizations and to submit a residential affidavit for proof of address. Title I HOPE may assist in obtaining an original birth certificate if a copy is not available for enrollment purposes.

Eligible families may contact Title I HOPE at 702-855-6682 for more details and assistance or can visit <https://aarsi.ccsd.net/title-i/hope/>.

BULLYING / PARENT RESOURCES

CCSD is dedicated to promoting the safety, wellbeing, and success of all students. The goal of providing bullying resources to families is to empower students and adults with information and resources to help them understand what bullying is, who is affected by it, and what you can do to prevent it.

BULLYING

CCSD is committed to providing a safe, secure, and respectful learning environment for all students and employees in all District facilities and school-sponsored events. CCSD takes a strong stance against bullying and cyberbullying. Under NRS 388.122, "bullying" means written, verbal or electronic expressions or physical acts or gestures, or any combination thereof, that are directed at a person or group of persons, or a single severe and willful act or expression that is directed at a person or group of persons. (See CCSD Policy 5137 for the full definition of bullying.) Under NRS 388.123, "cyberbullying" means bullying through the use of electronic communication. The term includes the use of electronic communication to transmit or distribute a sexual image of a minor. A student who is a "substantiated" victim of bullying and/or cyberbullying may be reassigned to another public school at the parent/guardian's request.

This requirement does not supersede the District's ability to discipline offenders in accordance with CCSD regulations.

To report or discuss bullying at your child's school, please contact your school principal/administrator, or visit either safevoicenv.org or ccsd.net/students/bully/.

The Nevada Legislature has recently enacted Assembly Bill 371, which extends the provisions of the existing bullying and cyber-bullying laws to additionally prohibit and address incidents of discrimination based on race. CCSD will comply with AB 371 and will amend its policies and regulations as appropriate.

Students, parents, and faculty throughout Nevada have access to

SafeVoice, an anonymous reporting system used to report threats to the safety or well-being of students. SafeVoice was established by the Nevada Department of Education under Senate Bill (SB) 212 in 2017 to protect student wellness, prevent violence, and save lives. SafeVoice is found at NRS 388.1451 to 388.1459.

In partnership with the Nevada Department of Public Safety, the SafeVoice program provides students with a safe place to submit tips concerning their own safety or that of others. A fully trained professional team of experts responds in an appropriate manner 24/7/365. Tips always stay anonymous.

SafeVoice reports can be made through the hotline by calling 1-833-216-SAFE (7233), electronically at safevoicenv.org, or through a free mobile app available in the app store for either Android or iPhone.

PARENT RESOURCES

The Family and Community Engagement Services (FACES) Department develops and implements programs that focus on increasing family engagement to promote student academic achievement. The goal of FACES is to increase engagement through identifying, creating, and fostering opportunities for two-way meaningful communication with families, schools, and the community.

University of Family Learning

FACES implements the University of Family Learning (UFL), which provides families of students of all ages with educational resources and support. There are over 100 UFL classes in four focus areas: parents as teaching partners; navigating the school system; involvement, leadership and advocacy; and promoting wellness and development. Classes will be offered in digital/virtual formats and, when possible, in-person at the 10 Family Engagement Centers, CCSD schools, and other community sites. In addition, FACES offers over 50 on-demand informational videos accessible at any time. For videos, event times, and locations, check faces.ccsd.net or contact the student's school.

There are over 100 UFL classes in four focus areas.

Family Engagement Centers

FACES Title I Family Engagement Centers are located in nine Title I elementary schools and one Title I middle school throughout CCSD. In collaboration with community and CCSD partners, the Family Engagement Centers provide opportunities to improve family capabilities and establish and nurture relationships with one common goal – student academic achievement. The Family Engagement Centers connect families with academic and community resources, support families and students with technology, provide English as a second language (ESL) classes for adults, and provide early childhood education programming. The Family Engagement Centers are open to all current and future CCSD families and will open mid-August 2021. For the locations of these centers, visit faces.ccsd.net or call 702-799-0303.

Super Saturdays

FACES hosts Super Saturday academies throughout the academic school year. The academies will be virtual and in-person events, and all schools are encouraged to participate. Super Saturday academies provide an opportunity for families of all ages to visit community locations, engage in hands-on activities, gain valuable at-home learning strategies, and connect to District and community resources. Announcements of the Super Saturday academies are posted on faces.ccsd.net.

For more information about family activities in support of student achievement, contact the FACES Department at 702-799-0303 or faces@nv.ccsd.net. Information is also available on the FACES website at faces.ccsd.net or on several social media platforms, including the FACES pages on Facebook, Twitter, Instagram, and YouTube.

Indian Education Department

The Indian Education Department (IED) services eligible American Indian/Alaska Native (AI/AN) students at two locations: Indian Education Support Center (IESC) located at 4204 Channel 10 Dr., Las Vegas, NV 89119, and the Moapa Educational Support Center (MESOC) located on the Moapa River Indian Reservation, 17½ Lincoln St., Moapa, NV 89025. The focus of IED is to close achievement gaps, increase graduation rates, and increase student and parent/guardian engagement.

IED works closely with the Clark County Indian Education Committee (CCIEC) and consults with local Tribes and parents/guardians of AI/AN CCSD students to provide quality educational and cultural programs and services to eligible CCSD AI/AN students.

For additional information, contact the IED at 702-799-8515. Information is also available on the IED website at indianed.ccsd.net or several social media platforms, including the Indian Education Department pages on Facebook, Twitter, and Instagram.

STUDENT SAFETY / SCHOOL POLICE

STUDENT SAFETY

It is always a good time to review basic safety information with your child.

Basic Safety Tips for All Students

- ✓ Children should never walk or bicycle alone.
- ✓ Teach your child his/her full name, address, and your full name and phone number.
- ✓ Let your child know that police officers are there to help them, and how to identify police.
- ✓ Teach your child to report violence, threats, or any suspicious activity.
- ✓ Talk with your child about safety and violence prevention. Discuss incidents and how they might have been avoided.
- ✓ Teach your child that private parts of his or her body should not be touched by anyone and to immediately report to a responsible adult any attempted or actual violations.

PARENT CONCERNS

The level of collaboration between families and educators is an important predictor of student academic achievement. Parents and family members who establish strong, positive relationships with school staff have more opportunities to learn about the education system and become better education advocates.

Who do I contact if I have a concern about my child's school?

If there is a concern, contact the school to request an opportunity to address your concerns and have a dialogue about the issue. Concerns that are not resolved at the school level may be addressed by calling 702-799-CCSD, where you will be directed to the appropriate department or division.

There is also a public concern process per CCSD Policy 1213 that provides a formal investigation of the stated issue and provides the person filing the concern with a written response of that investigation. For more information, contact the Community Services Department at 702-799-5830.

Being Smart Around Strangers

- ✓ Talk with your child(ren) about what a stranger is and provide them with examples.
- ✓ Instruct your child never to accept candy, money, gifts, or any other items from strangers.
- ✓ Instruct your child to never get into a car with a stranger.
- ✓ Instruct your child to never go with a stranger into an enclosed or partially enclosed location, such as a garage or alley.
- ✓ Never hitchhike.
- ✓ Stress the importance of protesting and running away if a stranger tries to take your child away or entice your child into his/her car.
- ✓ Instruct your child not to use a public restroom while alone.
- ✓ Advise your child on safe places to go in the event of danger.

Tips for Children Who Walk or Bicycle to School

- ✓ Parents should know with whom their child is walking or bicycling and what is his/her normal route to school.
- ✓ Remind your child not to take short cuts through or play alone in deserted areas.

- ✓ Parents should walk or ride with their younger children and occasionally accompany older children to school, or monitor the route.
- ✓ Watch out for vehicles at every driveway and intersection. Look for drivers in parked cars as they may be getting ready to move.
- ✓ Remember to cross streets only at crosswalks, and to always stop, look both ways, and continue to look as you cross the street.
- ✓ Bicycles should be ridden only on the right side of the street, preferably in a bike lane, or on a multi-use pathway.
- ✓ Bicyclists should always wear a helmet, and walk their bike across busy streets and through crosswalks.
- ✓ When a sidewalk is not present, walkers need to be on the shoulder and facing the oncoming traffic.
- ✓ Respect crossing guards.
- ✓ Remind your child not to be on their cell phones while walking or bicycling.

SCHOOL POLICE PROMOTE SAFETY

The Clark County School District Police Department (CCSDPD) is dedicated to providing a safe and secure environment conducive to learning. There are 189 certified school police officers who provide police services to the District. School police officers patrol District schools and facilities 24/7/365. Campus-based school police officers are assigned to most traditional high schools. The department has a Bureau of Professional Standards, Operations Support Bureau, an Investigations Bureau, a Traffic Bureau, and a K-9 unit. The CCSDPD also provides oversight of CCSD's Security System and Emergency Management Departments.

All school police officers are certified Category I peace officers through Nevada Police Officer Standard of Training. School police officers have the powers to make arrests, issue citations, enforce traffic laws, and investigate crimes that involve students, staff, and school property.

Call school police dispatch at 702-799-5411 in case of a school-related emergency or for incidents outside regular school hours.

The Operation Crime-Free Schools tip line, 702-799-0228, allows anonymous reporting of information concerning unsafe or crime-related activity at a school.

ACADEMIC SETTING AND SCHOOL DAY

Students with disabilities are educated in general academic settings unless a student’s needs cannot be met in such a setting. Consistent with federal and state law, and District policy, all students are required to receive a full school day of instruction, except in those cases where an Individualized Education Program (IEP) or Section 504 Plan specifically requires that a student receive a shortened school day.

ANNUAL ASBESTOS NOTICE

As required by the Asbestos Hazard Emergency Response Act of 1986 (AHERA), this is the annual notification of the presence of asbestos-containing materials in certain Clark County School District buildings. Asbestos is a common name given to a group of mineral fibers that occur naturally and have been incorporated into a variety of construction products such as wall and ceiling plasters and floor tile. These materials pose no risk to health, unless they are disturbed in such a way that asbestos fibers become airborne, are inhaled, and get deposited within the lungs.

This notice is a general notification and is not meant to give specific information about an individual location. An Asbestos Management Plan has been developed for each CCSD location which identifies the location, type, and amount of asbestos-containing material and also describes action taken to prevent exposure. The site-specific plan is available for review in the main office, of each location, during regular business hours. Copies of all plans are also kept in the Environmental Services Department office.

CCSD is committed to maintaining a safe and healthy environment for our students, staff, and visitors. For more information, visit <http://facilities.ccsd.net/environmental-services/> or call 702-799-0987.

AVERSIVE INTERVENTIONS AND RESTRAINTS

Nevada law (NRS 388.471, *et seq.*) and Clark County School District (CCSD) Regulation 5141.3 prohibit the use of aversive interventions on students with disabilities. Physical or mechanical restraints on students with disabilities are also prohibited except as provided within the law and regulation.

A copy of the regulation is available on the CCSD website at ccsd.net or by calling the Executive Director, Office of Compliance and Monitoring, Student Services Division, at 702-799-1020, or emailing at 0135-ocm@nv.ccsd.net.

CAREER AND TECHNICAL EDUCATION

More than 60 Career and Technical Education (CTE) pathways, from agriculture science to web design, are available to CCSD high school students. These courses provide students with the academic and technical knowledge they need to pursue post-secondary opportunities or to enter the workplace upon graduation.

CTE courses are available at all CCSD comprehensive high schools and Career and Technical Academies. The in-depth programs of study require students to complete either a two-year, three-year, or four-year sequence of courses. Most pathways will transition to two-year programs of study beginning in the 2022-2023 school year. An option for every high school student, CTE courses

provide hands-on training and real-life experiences, along with development of leadership skills through participation in career and technical student organizations.

The Nevada Department of Education has approved the awarding of a Certificate of Skill Attainment to every CTE student who (1) completes the CTE course sequence with a grade point average of 3.0 or higher; (2) passes the end-of-program technical assessment; and (3) passes the Workplace Readiness assessment for employability skills. Employers across the state of Nevada may utilize this certificate for validation of a student’s knowledge and skills in the various career areas. Completing CTE pathways is one avenue for students to qualify for a college and career readiness diploma. In addition, CTE programs of study are offered as dual credit courses and/or articulate with community colleges across the state. The list of articulated CTE programs can be found on the Nevada Department of Education website. The list of dual credit courses can be confirmed with each institution.

For more information about CTE courses, visit cteincsd.org, or talk with your student’s CTE teachers or high school counselor. Parents may also refer to the school’s course registration guide.

CCSD does not discriminate against any person on the basis of race, creed/religion, color, national or ethnic origin, sex, gender identity or expression, sexual orientation, disability, marital status or age, in admission or access to, treatment or employment in, or participation in its programs and activities, and provides equal access to the Boy Scouts of America and other designated youth groups, pursuant to federal and state laws. Inquiries regarding compliance with Title IX issues should be directed to the Title IX Coordinator at 702-799-5087. Inquiries regarding Section 504 compliance should be directed to the Executive Director, Office of Compliance and Monitoring, Student Services Division, by phone at 702-799-1020, or by email at 0135-ocm@nv.ccsd.net.

CHILD FIND

Pursuant to the provisions of Section 504 of the Rehabilitation Act of 1973, and the Individuals with Disabilities Education Act (IDEA), the Clark County School District is ready, willing, and able to identify every qualified student with disabilities residing in the District and determine the need for special education, related services, and/or accommodations.

The Student Services Division (SSD) operates Child Find, which identifies students in Clark County, ages three to 21, who are not enrolled in public school and may be eligible for special education services. Such students may be preschoolers or enrolled in private school, reside in hospitals, or homeless. Recommendations to parents for assessments often come from community agencies, educational, medical personnel, and preschool or daycare centers. Parents, guardians, or surrogates are encouraged to initiate requests for evaluations and/or assessments.

Parents, guardians, or surrogates must consent to an evaluation of their child prior to an appointment with the Child Find team. A team of professionals will assess the child to determine if he or she is eligible for special education services under the IDEA. The team, which includes the parents or guardians, develops an Individualized Education Program (IEP) or Service Plan for each eligible student. The Child Find staff also may help families gain access to helpful community services. For more information, please call the Child Find office at 702-799-7463.

2021-2022 Annual Legal Notices

The following information is provided annually to all parents of CCSD students at the beginning of the school year.

CONCERNS ABOUT STUDENT DISABILITY ISSUES

Concerns regarding students with disabilities that relate to the provision of a free appropriate public education (FAPE) under the Individuals with Disabilities Education Act (IDEA) or Section 504 should be directed to the principal of the school where the issue arose, the school's Special Education Director or Associate Superintendent, or by contacting the Executive Director, Office of Compliance and Monitoring, Student Services Division, by phone at 702-799-1020, or by email at 0135-ocm@nv.ccsd.net. Specific concerns relating to facility access for students with disabilities should be addressed by contacting CCSD's Facilities Division, Building Department Director, at 702-799-7605.

is available without the consent of parents or eligible students.

Directory information includes the student's name, address, grade level, date and place of birth, photographs, participation in officially recognized activities and sports, weight and height if a member of an athletic team, dates and schools of attendance, and degrees and awards received.

Photographs will be considered directory information only when used in printed school publications including the annual yearbook, playbills, honor roll or other recognition lists, graduation programs, newsletters, and sports

activity programs/sheets. Parents who do not want directory information released must file a written statement with the principal of the child's school annually at the start of each school year.

In addition, two federal laws require local educational agencies to provide military recruiters, upon request, with three directory information categories – name, address, and telephone listing – unless parents have advised the school in writing that they do not want their student's information disclosed without their prior written consent.

Information other than directory information is inaccessible without the written consent of the parent or eligible student. Among those exempt from this ruling are "school officials" who have a "legitimate educational interest," which may include the Board of School Trustees, administrators, certificated employees, classified support staff, and contractors, consultants, volunteers, and other outside parties performing outsourced institutional services or functions. Legitimate educational interest is defined as any activity having a direct effect on advancing a student's educational level, coupled with a concern for the student's social, emotional, and/or physical welfare.

To inspect educational records, parents or legal guardians should make a written request to the principal of the child's school to schedule a records review. The school must comply within 10 days of the written request. The school is not required to make copies of the records unless failure to do so would effectively prevent the parent from obtaining access to the records. Parents or eligible students may request to amend student records. The procedure to challenge records is outlined in CCSD Regulation 5125.1, which is available online at ccsd.net, or at your child's school. Parents/eligible students who believe their rights have been violated may file a complaint with: Student Privacy Policy Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, D.C. 20202.

The confidential records of students who have been enrolled in special education are automatically destroyed during the year of the student's 28th birthday.

Upon request, CCSD discloses education records without consent to officials of other schools in which the student seeks or intends to enroll, or has already enrolled or transferred, if the disclosure is for purposes related to the student's enrollment or transfer.

CCSD has identified the following FERPA liaisons to answer related questions:

MEDICAID INFORMATION

The Clark County School District participates in Nevada Medicaid's School Health Services (SHS) program and provides school health services to children with a Plan of Care (such as an Individualized Education Program) at no cost to parents/guardians. Federal Medicaid funds are available to school districts to help recover the costs of providing these necessary services. To access these funds, the District participates in the Nevada Department of Health and Human Services, Division of Health Care Financing and Policy (DHCFP) Medicaid SHS program.

School districts can request reimbursement for eligible school health services, such as speech, occupational and physical therapy, and nursing services. The District must disclose information to DHCFP from those students' education records for which reimbursement is sought. The information that must be disclosed includes the student's name, date of birth, and information regarding the service that was provided, such as the date, type, and duration of service.

To ensure that students have access to a free and appropriate public education, as required by federal law, the District:

- Must obtain written consent prior to disclosing students' health information to DHCFP;
- May not require parents/guardians to sign up for or enroll in any public benefits or insurance programs;
- May not require parents/guardians to pay any out-of-pocket expenses such as a deductible or co-payment for the costs of the health services the District provides;
- May not use students' Medicaid or other public benefits if that use would:
 - Decrease available lifetime coverage or any other insured benefit,
 - Result in families paying for services that would otherwise be covered by Medicaid or other public insurance program and that are required for children outside of the time that they are in school,

ESSA - "UNSAFE SCHOOL CHOICE OPTION"

As a requirement under the Every Student Succeeds Act (ESSA), CCSD has a school choice process requiring that students in unsafe schools be permitted to transfer to safer public schools. This process, known as the "Unsafe School Choice Option," permits student transfers for two reasons:

1. When a school is determined by the state of Nevada to be "persistently dangerous;" or
2. When a student becomes the victim of a violent crime at a school.

If a school is identified as persistently dangerous, the District will inform parents of the designation within 10 days and offer students the option to transfer to a safe public school within 20 days.

Students are allowed to transfer within 30 days. To the extent possible, the District will allow students attending a school identified as persistently dangerous to transfer to a school that has not been identified as being in need of improvement, corrective action, or restructuring. CCSD will take into account the needs and preferences of the affected students and parents to the extent possible. It is important to note that transportation is the responsibility of the parent(s). If a student becomes the victim of a violent criminal offense at school, the student is allowed to transfer to another public school. The transfer is optional; the student is not required to transfer. This requirement does not supersede the District's ability to discipline offenders in accordance with CCSD regulations.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

School records of students are confidential, according to the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99). The educational records maintained by the District include a student's academic permanent record, achievement and scholastic aptitude test results, attendance and discipline file, class record books, grade books, health inventory, and special education confidential folder (if any). Directory information is information not generally considered harmful or an invasion of privacy if disclosed. This information

Back TO School REPORTER

- Increase insurance premiums or lead to the discontinuation of any public benefits or insurance, or
- Risk the loss of eligibility for home and community-based waivers, based on aggregate health-related costs.

Whether or not consent is given or if consent is withdrawn, the District will continue to provide services to students at no cost to parents/guardians.

For more information regarding the Medicaid SHS program, contact the Student Education Management Systems Department at 702-799-0295.

NON-DISCRIMINATION AND ACCESSIBILITY NOTICE

CCSD does not discriminate against any person on the basis of race, creed/religion, color, national or ethnic origin, sex, gender identity or expression, sexual orientation, disability, marital status, or age, in admission or access to, treatment or employment, or participation in its programs and activities, and provides equal access to the Boy Scouts of America and other designated youth groups, pursuant to federal and state laws including, but not limited to, Title VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972 and 34 C.F.R. § 106.8(b)(1), Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Individuals with Disabilities Education Improvement Act (IDEA), and the Boy Scouts of America Equal Access Act.

and trigger the public concern process as outlined in CCSD Regulation 1213.1. The procedures also allow for an appeal of the determination.

3) Sex Discrimination (Title IX)

CCSD does not discriminate on the basis of sex in its education programs or activities, and is required by Title IX not to discriminate in such a manner. Inquiries or concerns regarding Title IX should be referred to the Title IX Coordinator, who is located at 5100 W. Sahara Ave., Las Vegas, NV 89146, 702-799-5087, email address TitleIXCoordinators@nv.ccsd.net. Students, parents, and other program participants who believe they have been subjected to sex discrimination, including sexual or gender-based harassment, may contact the Title IX Coordinator to make a report or file a complaint, who will work with the principal of the school in question or other District staff, as appropriate, to comply with the Title IX requirements and follow CCSD's sexual harassment grievance procedures, or they may contact the United States Department of Education, Office for Civil Rights (OCR). PROTECTION AND SECURITY OF TESTS

CCSD, in accordance with Nevada law, has implemented procedures to ensure the security of all state-mandated proficiency exams. The plan includes procedures for:

- Reporting irregularities in test administration and test security;
- Notifying the Nevada Department of Education of testing irregularities;
- Ensuring the security of test materials and consistency of test administration;
- Verifying the identity of secondary students taking an exam; and
- Responding to a report of an irregularity in test administration or security, including actions taken during an investigation and the person responsible for each action.

Because test security is a vital part of state-mandated testing and the validity of the resulting data, the District invokes the following penalties:

- If a teacher or administrator is found, through an investigation of a testing irregularity, to have willfully breached the security or confidentiality of the questions and answers of the examinations that are administered pursuant to NRS 390.105 or the college and career readiness assessment administered pursuant to NRS 390.610, the District must: (1) suspend, dismiss or fail to reemploy the teacher; or (2) demote, suspend, dismiss or fail to reemploy the administrator;

2021-2022 Annual Legal Notices

The following information is provided annually to all parents of CCSD students at the beginning of the school year.

- A teacher and/or administrator may be suspended, demoted, dismissed or not reemployed for any other type of breach in test security or administration;
- All other District employees may be subject to suspension, dismissal or non-reemployment for breaches of security or confidentiality; and
- Students who willfully breach test procedures will be subject to administrative and disciplinary action consistent with state law and District regulations.

PROTECTION OF PUPIL RIGHTS AMENDMENT

The Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. § 1232h; 34 CFR Part 98) affords parents and students who are 18 or emancipated minors ("eligible students") certain rights regarding CCSD's conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey, analysis, or evaluation that concerns one or more of the following protected areas ("protected information survey") if the survey, analysis, or evaluation is funded in whole or in part by a program of the U.S. Department of Education:

- 1) Political affiliations or beliefs of the student or student's parent;
- 2) Mental or psychological problems of the student or student's family;
- 3) Sex behavior or attitudes;
- 4) Illegal, anti-social, self-incriminating, or demeaning behavior;
- 5) Critical appraisals of other individuals with whom the respondents have close family relationships;
- 6) Legally recognized privileged or analogous relationships, such as with lawyers, doctors, or ministers;
- 7) Religious practices, affiliations, or beliefs of the student or parents;
- 8) Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of:

- 1) Any other protected information survey, regardless of funding;
- 2) Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted under state law; and
- 3) Activities involving collection, disclosure, or use of personal information obtained from students for marketing purposes or to sell or otherwise distribute the information to others.

Inspect, upon request of the parent, and before the instrument is administered or used:

- 1) Protected information surveys of students and surveys created by a third party;

- 2) Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
- 3) Instructional material as part of the educational curriculum.

CCSD has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes.

CCSD will also directly notify parents and eligible students through the U.S. mail or email, at least annually at the start of each school year of the specific or approximate dates of the activities or surveys listed below and provide an opportunity for the parent to opt his or her child out of participation in that activity or survey. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification and be provided an opportunity to opt their child out of participation. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales, or other distribution;
- Administration of any protected information survey not funded in whole or in part by the U.S. Department of Education; and
- Any non-emergency, invasive physical examination or screening as described above.

Parents/eligible students who believe their rights have been violated may file a complaint with: Student Privacy Policy Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington D.C. 20202.

RELATIONSHIPS, INTERACTIONS, AND COMMUNICATIONS BETWEEN DISTRICT EMPLOYEES OR REPRESENTATIVES/VOLUNTEERS AND STUDENTS

The Clark County School District (CCSD) is committed to ensuring that all relationships, interactions, and communications between CCSD employees or representatives/volunteers and students, regardless of age, are appropriate. In furtherance of this goal, the Board of Trustees enacted Policy and Regulation 4100, which establishes procedures for all employees and representatives/volunteers (including rules related to electronic communication such as email and texting with students), defines appropriate and inappropriate conduct, mandates the reporting of inappropriate conduct, encourages cooperation with law enforcement, and ensures compliance with applicable laws.

Policy and Regulation 4100 also includes requirements regarding background checks and fingerprinting that align with the Nevada Revised Statutes.

Additional guidance may be found on the CCSD "Protect Our Kids" website. The website includes links with helpful information, documents (including Frequently Asked Questions), and training videos related to Policy and Regulation 4100. The website is available at ccsd.net/protectourkids.

SAFE AND RESPECTFUL LEARNING ENVIRONMENT

The District is committed to providing a safe, secure, and respectful learning environment for all students and employees at all District facilities, school buildings, on school buses, on school grounds, and at school-sponsored activities. CCSD strives to address bullying and cyberbullying so that there is no disruption to the learning environment and learning process. CCSD Policy 5137 outlines the requirements and process for ensuring safe and respectful learning environments are maintained. (Policy 5137 can be found at [ccsd.net](https://ccsd.net/district/policies-regulations/pdf/5137_P.pdf), keyword search "Policy 5137" or https://ccsd.net/district/policies-regulations/pdf/5137_P.pdf).

The Nevada Legislature has defined bullying and cyberbullying. Bullying and/or cyberbullying behavior are prohibited. CCSD will comply with the reporting, notice, and investigation requirements set forth in the laws and regulations.

The following reporting mechanisms are applicable to bullying and cyberbullying.

1. Students: It is the policy of CCSD to encourage students who are subjected to, witness, or overhear incidents of bullying and cyberbullying to report such incidents. Students should report any incident(s) of bullying and cyberbullying to a teacher, counselor, or a school administrator. Students are also encouraged to report knowledge of bullying and cyberbullying via SafeVoice, an anonymous reporting system, which can be accessed 24 hours a day, seven days a week, and 365 days a year. SafeVoice reports can be made through the hotline by calling 1-833-216-SAFE (7233), electronically at safevoicenv.org, or through a free mobile app available in the app store for either Android or iPhone.

2. Employees: Any CCSD teacher, administrator, principal, coach, or other staff member who witnesses, overhears, or receives information about an incident of bullying and/or cyberbullying at any CCSD facility, on school grounds, in school buildings, on school buses, or at school-sponsored activities, shall report it to the principal or the principal's designee as soon as practicable, but not later than a time during the same day on which the teacher, administrator, principal, coach, or other staff member witnesses or receives information about the incident.

The Nevada Legislature has recently enacted Assembly Bill 371, which extends the provisions of the existing bullying and cyberbullying laws to additionally prohibit and address incidents of discrimination based on race. CCSD will comply with AB 371 and will amend its policies and regulations as appropriate.

STUDENT HARASSMENT PROHIBITED

CCSD supports a learning environment that is free from discrimination, harassment, and intimidation because of a student's protected status in order to best promote student learning. Where a student has experienced harassment, the District will act promptly and appropriately to prevent its recurrence and correct its discriminatory effects on the complainant and others, if appropriate. Protected status includes age, race, color, national origin, ethnicity, ancestry, religion, gender identity or expression, sexual orientation, physical attributes, disability, and sex.

Sexual Harassment

The federal Title IX regulations pertaining to sexual harassment were recently amended. CCSD does not discriminate on the basis of sex in its education programs or activities, and is required by Title IX not to discriminate in such a manner.

Sexual harassment is defined as conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the District conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (i.e., *quid pro quo* sexual harassment). This applies to all employees.
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to an education program or activity. This applies to all students and employees.
3. Sexual assault, dating violence, domestic violence, or stalking, as those terms are defined under certain federal laws. (For a full definition of those terms, visit [ccsd.net](https://ccsd.net/district/info/title-ix.php), keyword search "Title IX," or visit <https://ccsd.net/district/info/title-ix.php>). This applies to all students and employees.

Under Title IX, CCSD must respond when any employee or official of the District with authority to institute corrective measures has actual knowledge (sees, hears, or otherwise learns) of sexual harassment that occurred within an education program or activity. When any employee or official of the District with authority to institute corrective measures has actual knowledge of such sexual harassment, that person has a duty to report it to CCSD's Title IX Coordinator. The Title IX Coordinator may be contacted by email at TitleIXCoordinators@nv.ccsd.net, by phone at (702) 799-5087, or by mail at 5100 W. Sahara Ave., Las Vegas, NV 89146.

A complainant (alleged victim) may file a formal complaint with the Title IX Coordinator at the contact information above. In addition, any person may report sexual harassment to the Title IX Coordinator at the contact information above.

Upon receipt of a formal complaint or a report of sexual harassment, the Title IX Coordinator will coordinate the District's efforts to comply with its obligations under the law. The District will respond promptly and in a manner that is not deliberately indifferent, meaning not clearly unreasonable in light of the known circumstances.

To read a full version of the new Title IX complaint and response process, including the grievance and investigation procedures, visit ccsd.net, keyword search "Title IX," or visit <https://ccsd.net/district/info/title-ix.php>.

Retaliatory behavior against any complainant or any participant in the Title IX complaint process is prohibited.

In addition to contacting the Title IX Coordinator, the Office for Civil Rights (OCR) may also be contacted by sending a complaint or inquiry regarding Title IX to the United States Department of Education – Office for Civil Rights, 915 2nd Ave. Room 3310, Seattle, Washington 98174-1099. The email address is OCR.Seattle@ed.gov.

Harassment Not Based on Sex

For all other types of harassment that are not based on sex, harassment is defined as any verbal, visual, or physical conduct that is sufficiently severe, persistent, or pervasive that it adversely affects, or has the purpose or logical consequence of interfering with the student's educational program or creates an intimidating, hostile, or offensive school atmosphere. Harassment, whether it is by students, staff, or third parties in the school community, is strictly prohibited, and will subject the perpetrator to disciplinary action. See ccsd.net (Keyword search "Regulation 5141.2"). It is the principal's responsibility to take actions as necessary to protect students and District personnel from harassment by students or staff, using the grievance complaint procedure.

Any student, male or female, who feels that he/she is a victim of harassment should immediately contact his/her teacher and/or principal, unless the principal or teacher is believed to be part of the harassment, in which case contact should be made with the appropriate School Associate Superintendent, Division Administrator, or the Executive Manager, Diversity and Affirmative Action, ADA/Title IX Coordinator by email at colegc@nv.ccsd.net, by phone at 702-799-5087, or by mail at 5100 W. Sahara Ave., Las Vegas, NV 89146.

Any CCSD employee who receives a harassment complaint from a student or observes harassing conduct shall notify the principal. The principal shall ensure that the complaint is promptly and appropriately investigated and will ensure that there is an opportunity to present witnesses and other evidence. If the investigation is not conducted promptly, the appropriate School Associate Superintendent, Division Administrator, or the Executive Manager, Diversity and Affirmative Action, ADA/Title IX Coordinator will be notified.

Retaliatory behavior against any complainant or any participant in the complaint process is prohibited.

Harassment in any form against students by either a student or a District employee is grounds for severe disciplinary action. For students, it may be the basis for suspension/expulsion in accordance with the existing disciplinary procedures. For staff, it may result in disciplinary action up to and including dismissal. If there is a concern that the behavior constitutes bullying, it should also be reported under the bullying procedures set forth in CCSD Policy 5137.

In addition, the Office for Civil Rights (OCR) may also be contacted by sending a complaint or inquiry to the United States Department of Education – Office for Civil Rights, 915 2nd Ave. Room 3310, Seattle, Washington 98174-1099. The email address is OCR.Seattle@ed.gov.

STUDENT WELLNESS REGULATION

CCSD is committed to providing an environment in which students can make healthy food choices and have opportunities to be

physically active. Regulation 5157 defines nutrient standards for food and beverages sold or given away to students in all school venues during the period from midnight before, to 30 minutes after, the end of the official school day. This includes, but is not limited to, student stores, vending machines, cafeteria a la carte lines, fundraising, and all activities sponsored by school organizations (clubs, sports, PTA, etc.) conducted on school property during the school day, and the CCSD Food Service Department. The nutrient standards limit calories, fat, sugar, and sodium; prohibit carbonated beverages and caffeine with the exception of trace amounts of naturally-occurring caffeine substances such as chocolate milk (although caffeine is permitted at the high school level if approved by administration), and define acceptable portion sizes. More details about the student wellness regulation are available online at ccsd.net (keyword search "Regulation 5157").

TRANSPORTATION FOR STUDENTS WITH DISABILITIES

Students with disabilities participate in general education bus transportation unless they demonstrate a disability-related need for special education school bus transportation. School-based facilitators assist by forwarding requests for service through appropriate case managers per Individualized Education Programs (IEP) or Section 504 plans.

Parents/guardians requesting student transportation for medical reasons should contact the school nurse to obtain the appropriate form(s). Anyone with concerns regarding transportation and bus schedules that impact a student's school day should contact the principal of the school where the concern originated. The designated District employee responsible to work with the school principal in resolving complaints about school bus transportation is the Director of Transportation or designee who can be contacted at 702-799-8100.

The building principal (or designee) is also the primary contact person for concerns that arise at the school and on the school bus regarding concerns of disability discrimination, including disability harassment. The designated District office that is responsible to work with the school principal in resolving complaints concerning disability discrimination relating to transportation is the Executive Director, Office of Compliance and Monitoring, Student Services Division, who can be contacted by phone at 702-799-1020 or by email at 0135-ocm@nv.ccsd.net.

The building principal will work with the designated employee and respond to the inquiry within a reasonable period of time. If applicable, these concerns also may be addressed by contacting the office of the appropriate Region School Supervisor or by using the District's complaint resolution process outlined in CCSD Regulation 1213.1.

TREATMENT OF STUDENTS AND FAMILIES OUTLINED

Board Governance Policy SE-3 provides that with respect to interactions with students and their families or those enrolling to be students, the superintendent shall cause conditions, procedures, or decisions, which support student learning and which are safe, dignified, equitable, nondiscriminatory, and/or nonintrusive. See ccsd.net (keyword search "Governance Policies").
