BOND RATINGS

A1 | CCSD Moody's Rating
AA- | CCSD S&P's Rating

A bond or credit rating is given to the debt obligations of the District as assigned by nationally recognized statistical rating organizations. The letter designation represents the quality of the bonds.

The benefits of having a strong bond rating are lower interest costs when issuing bonds since investors often base part of their decision to buy bonds on the credit rating of the debt.

ACHIEVEMENTS

Roger D. Gehring Academy of Science and Technology was honored by the U.S. Department of Education as a National Blue Ribbon School—the only Nevada school to receive this distinction.

Mike Patterson (Advanced Technologies Academy) was selected as Nevada Teacher of the Year by the Nevada Department of Education.

Greg Cole (Mojave High School) was recognized as Nevada Principal of the Year by the National Association of Secondary School Principals.
